#### RESOLUTION C-2015-12

INTRODUCING: Brinkerhoff-Riley COMMITTEE: Finance

A Preliminary Resolution of the Common Council
of the City of Evansville Declaring an Economic Revitalization Area
for Property Tax Phase-In for Redevelopment located at
607 East lowa Street, Evansville, Indiana
Carpenter Court, L.P. (c/o Pioneer Development Services, Inc.)

Whereas, Carpenter Court (c/o Memorial Community Development Corp.), (the "Applicant") has submitted Statement of Benefits and made application for Economic Revitalization Area designation pursuant to IC 6-1.1-12.1 et seq, and Evansville Common Council Resolution C-2002-3 As Amended (the "Tax Phase-In Resolution") for property located at 607 East Iowa Street, Evansville, Indiana; and

Whereas, said property meet the criteria for designation as Economic Revitalization Area pursuant to IC 6-1.1-12.1 et seq; and

Whereas, a residential project of five (5) or more units designated as an Economic Revitalization Area, must contain at least twenty percent (20%) of the units available for use by low and moderate income individuals; and

Whereas, Court Court, L.P. will require that one hundred percent (100%) of the households will be at or below 60% of Area Annual Median Income set by the Department of Housing and Urban Development.

NOW THEREFORE, BE IT RESOLVED by the Common Council of the City of Evansville as follows:

**Section 1.** The Common Council has reviewed the Statement of Benefits and additional information submitted pursuant to I.C. 6-1.1-12.1 and Common Council Resolution C-2002-3 As Amended and made the following findings:

- a. The estimate of the value of the redevelopment and/or rehabilitation to be undertaken by the Applicant is reasonable for projects of that type; and/or
- b. The estimate of the number of individuals who will be employed or whose employment will be retained by the project can be reasonably expected to result from the proposed redevelopment; and/or
- c. The estimate of the annual salaries of those individuals who will be employed or whose employment will be retained by this project can reasonably be expected to result from the proposed redevelopment; and/or
- d. The totality of benefits likely to accrue from this project is sufficient to justify a tax deduction.

e. The property known as: **607 East Iowa Street, Evansville, Indiana** and more particularly described as follows:

#### 82-06-20-025-103.016-029; 82-06-20-025-104.009-029

has been found to meet the requirements of an Economic Revitalization Area pursuant to IC 61.1-12.1.

- **Section 2.** Based on these findings, the Common Council has determined that the purposes of IC 6-1.1-12.1 are served by allowing the deduction and the property described in Section 1.e. (above) is hereby declared to be an Economic Revitalization Area.
- **Section 3.** The designation of this Economic Revitalization Area shall apply to property tax deductions for "real property" as provided in IC 6-1.1-12.1-4.
- **Section 4.** The designation of this Economic Revitalization Area shall be in effect up to and including March 1, 2017.
- **Section 5.** The length of deduction to be allowed for this project for "real property" shall be for 10 years.
  - **Section 6**. The Statement of Benefits submitted by the applicant is hereby approved.
- **Section 7**. This Resolution shall be in full force and effect from and after its passage by the Common Council, signing by the Mayor, and advertisement, if any, as required by law.

6c. What is the Condition of the Structure(s)?	r infiltration, and environmental issues. The Applicant
The school building is vacant and rapidly deteriorating with broken windows, wate is shoring up and temporarily securing the building to alleviate further extensive ar	nd aggressive deterioration.

#### Part III: Statutory Requirements

Under IC 6-1.1-12.1, designation of an Economic Revitalization Area, for projects with five (5) or more units, requires the city council to find that the proposed area has "become undesirable for, or impossible of, normal development and occupancy because of a lack of development, cessation of growth, deterioration of improvements or character of occupancy, age, obsolescence, substandard buildings or other factors which have impaired values or prevent a normal development of the property."

For designation as a Residentially Distressed Area (projects with four or less units) the city council must additionally find that the proposed area, as outlined in IC 6-1.1-12.1-12, has had a loss of population, net loss of dwelling units, significant building deficiencies and significant number of unimproved parcels.

What evidence can be provided that the project property meets the above statutory requirements?

The property has become undesirable for normal development and occupancy because of lack of development, cessation of growth, deterioration of improvements, substandard buildings in the area which have impaired values or prevent a normal development of the property.

This is evidenced by the fact that the property contains a vacant, deteriorating building. This is also evidenced by the following: (1) the property is located in a "qualified census tract" as designated by HUD, and (2) the project will be constructed in an area where there has been little or no significant new development in recent years.

As a result, the project property meets the applicable statutory requirements.

#### Part IV: Proposed Project

1. Please Provide a Detailed Description of the Proposed Project. (You must attach a site plan to this application)

The Carpenter Court Apartments project will consist of the conversion of the former St. Joseph Catholic School building into a 45-unit affordable rental housing apartment complex.

The project will contain one-, two-, and three-bedroom units, including handicapped-accessible units.

The project will utilize Section 42 rental housing tax credits. As such, the rents will be restricted to 30%, 40%, 50%, and 60% of the area median income.

The project will also contain a community center, leasing office, police substation, Head Start classroom, on-site off-street parking, playground, landscaping, site amenities, and green space.

The site plan for the project is attached.

2. Will the Project Require Additional Municipal Services or Facilities?

☐ Yes

X No

If Yes, Please Explain

- 3. For Projects Seeking Phase-In for REAL ESTATE IMPROVEMENTS
- a. What Physical Changes will be Made to Develop or Rehabilitate the Property?

The development of the property will consist of a complete renovation and conversion of the former school building into an apartment complex, including installation, replacement, and/or repair of roof, windows, doors, electrical and HVAC systems, and interior unit and common area build-outs. The development will also entail new landscaping, re-paving parking areas, and site amenities.

b. How Will the Subject Property be Used?

The property will be used as an affordable rental housing apartment complex.

Total Project Cost (\$) \$7,337,600 (Detailed Project Cost Estimate attached)

Part	VI:	Occupancy
rare	$v_{i}$	Occupancy

Part VI: Occupancy
I. Is this an owner-occupied, renter-occupied or mixed-tenancy project?  Renter-Occupied
2. Describe the intended or targeted market for this project, (i.e. household size, income levels, tenant mix, special needs, etc.)
One-, two-, and three bedroom units; At or below 60% AMI levels; Approximately 10% of units handicapped accessible.
3a. If owner-occupied housing, identify the targeted sale price(s) N/A
3b. If renter-occupied, identify the targeted rental rate(s) \$290 - \$655
4. In addition to tax phase-in, what other incentives, financing or other activities will be used to reach the intended market?
The project will utilize Section 42 rental housing tax credits. As such, project tenants will be income-qualified (at or below 60% of area median income), and the rents will be restricted to 30% - 60% AMI rents.

Part VII: Furtherance of Development Objectives
Please identify how the proposed project meets one or more of the following development objectives [attach additional sheets if necessary]:
1. Use of currently vacant, but previously developed land:
N/A
2. Rehabilitation or replacement of obsolete, deteriorated, vacant or under-utilized buildings:
The project consists of the rehabilitation, adaptive re-use, and conversion of the obsolete, vacant, and deteriorated school building.
3. Project is a "good fit" or appropriate for the location (i.e. design, density)
The Project is located on the eastern edge of the Jacobsville neighborhood. The project is surrounded by single-family homes to the north, east, and west and St. Joseph Catholic Church to the south. The project is located one (1) block from Delaware Elementary School, and a market is located on the same block as the project. The project is also located within walking distance of downtown Evansville, major employers, restaurants, grocery and retail stores, health and social services providers, etc. Thus, the project is a good fit for the location.
4. Project will improve the community's physical appearance

The project will convert a vacant eye-sore into a vibrant apartment community with completely renovated exteriors, re-paved parking areas, new landscaping, and site amenities in an area that has had little or no new development in recent years. Thus, the project will significantly improve the physical appearance of the community.

 ${\it 5. Preservation of historically or architecturally significant property:}\\$ 

The development will preserve the former St. Joseph Catholic School building, which was originally built in 1953, including the gymnasium.

#### Part VIII: Other Information

1. Please include below, or attach, any additional information that you feel will assist in evaluating this request for property tax phase-in.

As a result of the development of the project, approximately 2 full-time or part-time jobs will be created (an on-site manager and a maintenance person). In addition, the development/construction of the project will benefit various local contractors, suppliers, and services providers. Ultimately, the project will also increase the property tax revenues for the City of Evansville, as well as increased utility revenue. Finally, the development of the project will provide safe, decent, and affordable housing units, thereby increasing and improving Evansville's affordable housing stock.

FORM SB-1 / Real Property

PRIVACY NOTICE Any information concerning the cost of the property and specific salaries paid to individual employees by the

the redevelopment or rehabilitation for which the person desires to claim a deduction.

- 3. To obtain a deduction, a Form 322/RE must be filed with the County Auditor before May 10 in the year in which the addition to assessed valuation is made or not later than thirty (30) days after the assessment notice is mailed to the property owner if it was mailed after April 10. A property owner who failed to file a deduction application within the prescribed deadline may file an application between March 1 and May 10 of a subsequent year.
- 4. A property owner who files for the deduction must provide the County Auditor and designating body with a Form CF-1/Real Property. The Form CF-1/Real Property should be attached to the Form 322/RE when the deduction is first claimed and then updated annually for each year the deduction is applicable.
- 5. For a Form SB-1/Real Property that is approved after June 30, 2013, the designating body is required to establish an abatement schedule for each deduction allowed. For a Form SB-1/Real Property that is approved prior to July 1, 2013, the abatement schedule approved by the designating body remains in effect. IC 6-1.1-12.1-17

Council Meeting 09/14/2015

**SUBJECT:** The Carpenter Court, L.P. project, presented by Pioneer Development Services, Inc., will entail the acquisition and rehabilitation of a vacant, deteriorated school building into a 45 unit affordable rental housing apartment complex. Using Section 42 tax credits the plan includes:

- One-, two-, and three-bedroom units including handicapped-accessible units
- Rents will be restricted based upon 30% -60% of the area median income
- Include community center, leasing office, police substation, head start classroom, and playground/greenspace

Fiscal Impact: Pioneer Development Services, Inc. estimates the redevelopment cost of the building and property at \$7,337,600.00.

Recommendation: Given the nature of the project (residential), the Growth Alliance works with the Department of Metropolitan Development to determine if a project is appropriate. Kelley Coures, Director, has deemed this project appropriate and is in favor of the project moving forward. As part of the Federal application process, the applicant must show local support for the project. Historically, we have done this with a traditionally scheduled 10 year Tax phase-in. Terry Keusch, president, has completed similar projects in the community, including the Cedar Trace apartments and senior living facility (2200 N 7th Ave, Evansville, IN).

Assuming 100% rate, the total value of incentives would be approximately \$1 million and the project would generate a positive, Economic Impact of over \$7 million during the term of the abatement. More importantly, the community is provided additional rent controlled low to moderate income housing.

The Growth Alliance has requested, and the applicant has agreed to, execution of an agreement with the City that would require the applicant to reimburse the City for an agreed to amount of the value of the benefits received to date in the event they would decide to terminate the facility within the 10 year period. This type of agreement has been referred to as a "claw back agreement" on prior projects.
